Dear Mr. Weisberg.

Find check enclosed for the balance owed - & thanks for your trust -

Glad reading that you and others like you will create such an impact that the people of the United States will wake up and the whole populace will demand with end by the strictest means a Congressional investigation in regard to the assassination of President Kennedy. - and only Congressional!

If our own Federal agencies fraggate false evidence in such a blindly ~~Kamp~~ horrifying consequence as the assassination of our President then we have nothing left but a serious crumbling of our democracy! May God bless us as a nation to know the whole truth - I have many friends who are eager to read my two books I have of yours.

Thank you again

Sincerely - Irene Cobeen
